

UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF OHIO  
EASTERN DIVISION

ERNEST COOK	) CASE NO. 4:22-cv-00077 BYP
	)
Plaintiff,	) JUDGE BENITA PEARSON
	)
vs.	) <b><u>PLAINTIFF'S UNOPPOSED MOTION</u></b>
	) <b><u>FOR A ONE-WEEK EXTENSION OF</u></b>
BOARD OF TRUMBULL COUNTY	) <b><u>TIME TO FILE HIS OPPOSITION TO</u></b>
COMMISSIONERS	) <b><u>DEFENDANT'S MOTION FOR</u></b>
	) <b><u>SUMMARY JUDGMENT</u></b>
Defendant.	)

Pursuant to Rule 6(b)(1) of the Federal Rules of Civil Procedure, Plaintiff respectfully requests a one-week extension of time to file his opposition to Defendant's Motion for Summary Judgment.

The reasons for this Motion are described in the Memorandum attached hereto and incorporated herein by reference.

This Motion is not interposed solely for purposes of delay, but rather, because Plaintiff's counsel is just recovering from Covid. (Ex. 1, C. Groedel's Declaration)

This is Plaintiff's first request for an extension; the granting of this request will not cause Defendant any prejudice or harm; and defense counsel has stated that she does not oppose the requested extension.

WHEREFORE, Plaintiff respectfully requests that his Motion be granted, and that the Court grant him leave until June 19, 2023, to file his Opposition to Defendants' Motion for Summary Judgment.

Respectfully submitted,

**MEMORANDUM IN SUPPORT OF PLAINTIFF'S MOTION FOR A ONE WEEK  
EXTENSION OF TIME TO RESPOND TO DEFENDANTS' MOTION FOR SUMMARY  
JUDGMENT**

**I. REASON FOR REQUEST**

Plaintiff's Response in Opposition to Defendant's Motion for Summary Judgment is due today, June 12, 2023. However, Plaintiff's counsel has been out with Covid since Tuesday, June 6, 2023, and today is her first day back to work. (See Ex. 1, Groedel Decl.)

**II. LAW AND ARGUMENT**

Under state and federal law, judges have authority to regulate the proceedings over which they preside and issue any order that may be necessary to protect a witness or party. Courts throughout the Sixth Circuit have held that courts should freely grant leave when there will be no prejudice to the opposing party, and when justice so requires and interpret this rule liberally.

See, e.g., *Foman v. Davis*, 371 U.S. 178, 182 (1962); *Shane v. Bunzl Distribution USA, Inc.*, 200 F. App'x 397, 406 (6th Cir. 2006).

**A. There is no undue delay, bad faith, or dilatory motive on Plaintiff's part.**

The good faith basis for Plaintiff's request is that Plaintiff's counsel has been sick with Covid since June 6, 2023, and this is her first day back to work. Plaintiff's counsel would have requested the extension earlier, but was, quite literally, too tired to draft or review any documents.

**B. Granting Plaintiff's Motion will not cause undue prejudice to Defendant.**

Courts determine prejudice by, *inter alia*, considering whether granting a request would require the opposing party to expend additional resources; would significantly delay the resolution of the dispute; and/or other matters that could cause harm to the opposing party.

*Phelps v. McClellan*, 30 F. 3d 658, 662–663 (6th Cir. 1994). Delay alone does not justify denial of a motion for additional time. *Mote v. City of Chelsea*, 252 F. Supp. 3d 642, 655 (E.D. Mich. 2017).

Plaintiff's request is made in good faith, not for the purpose of unnecessary delay, and the granting of it will not result in prejudice to Defendant.

### **III. CONCLUSION**

WHEREFORE, Plaintiff respectfully requests his Motion be granted.

Respectfully submitted,
